UNITED STATES DISTRICT COURT DISTRICT OF MASSACHUSETTS

MICHAEL MCCARTHY, et. al.)) CIVIL ACTION NO.) 1:20-cv-10701-DPW
Plaintiffs,)
-against-)
CHARLES D. BAKER, et. al.,) SUPPLEMENTAL
Defendants.) DECLARATION OF WILLIAM) R. BIEWENGA
)
)
	_)

- I, William R. Biewenga, hereby declare and state the following:
 - On April 3, 2020 I contacted Cape Gun Works, a licensed firearms dealer, because I wanted to
 try a variety of weapons and get a relatively unbiased opinion from someone who has dealt with
 a wide variety of firearms.
 - I have (rather dated) experience with an M-16 but none with the specific weapons models I was
 interested in. I wanted to have some range time with the weapon and an instructor and I was
 aware that Cape Gun Works offers that service.
 - I would not trust the opinion of a private seller I found on the internet and I would not be able to
 try different weapons under the supervision of an instructor if I was shopping on the internet.
 - 4. I am unfamiliar with the laws surrounding the sale of firearms by persons who are not firearms dealers. I do not know whether it is lawful to purchase a firearm from an unlicensed person, whether you can buy a firearm from out-of-state and legally transport it across state lines and I don't know how to register a firearm. I shouldn't need to hire an attorney at my own expense to get advice on how to legally purchase a firearm from a private person.

I declare under the penalty of perjury that the foregoing is true and correct.

Executed this 4 th day of May, 2020.

William R. Biewenga
